

SELECTMEN ENDORSE STONY HILL FOUR CORNERS

"Newtown is proud to be part of the Stony Hill Four Corners Business Association. This group works well together and is rightly proud of its achievements. SH4C supports and promotes community activities focused on organizations and neighborhoods, strengthening and fostering the growth and prosperity of businesses located between I84 exits 8 and 9. This is a very special partnership between Newtown and Bethel."

• E. Patricia Llodra, Newtown First Selectman

"The Stony Hill Four Corner's Association is a vital force in driving business development along the Rte 6 corridor in Bethel. Through a combination of excellent leadership and strong marketing programs, the Association has done a terrific job of attracting new customers to the member businesses as well as provide another great reason for a new business to locate in the corridor. It is a pleasure to work with this professional organization toward the betterment of our community."

• Matthew S. Knickerbocker, Bethel First Selectman
